Sub:- SUSPENSION OF LICENCE FOR THE MACHINERY WHICH CAN BE USED FOR SAWING OF ROUND TIMBER.

Sir,

In inviting a reference to the letter NO.FOR-288/IND(A)-2 90/2720 dtd.2.2.93 received from PCCR-Itanagar on the above subject (Copy enclosed for ready reference), I am to inform you that vertical band saw machines allowed to the SSI units of your district earlier only for re-sawing purposes and as per letter of PCCF it is noticed that such units are utilising the above machines for sawing of round timbers and hence registration of such units your district may be suspended immediately to prevent illegal operation.

Further, Dia metre of the vertical Band saw should ^{be} not allowed to exceed 18" and the cases requiring installation ^{of} large size of Band saw should be invariably routed through the Insing committee constituted vide Government order NO.IND/DE dtd 24-6-88.

Yours faithfully,

Enclo:- As Stated above.
